## **A Face Lucy**

At age nine, Lucy Grealy was diagnosed with a potentially terminal cancer. When she returned to school with a third of her jaw removed, she faced the cruel taunts of classmates. In this strikingly candid memoir, Grealy tells her story of great suffering and remarkable strength without sentimentality and with considerable wit.

## **Summary | GradeSaver**

Autobiography of a Face: Lucy Grealy. Autobiography of a Face: Lucy Grealy The psychology of beauty is complex not just because the concept of beauty is as yet undefined, but also because it is largely true that beauty lies in the eyes of the beholder or how individuals perceive other people or things. The importance of beauty has been taught since the first civilizations.
