Prove it! "Baby Boomers" is the name given to the generation that was born at the end of World War II. As soldiers came home from the war, they settled down, bought houses and started families. Baby boomers are those born between 1946 and 1964 (although some sources list the first Boomer year as 1943). Currently, Baby Boomers are rivaled in number by millennials, with both generations in the United States boasting current numbers of at least 70 million.
