One of the plenary speakers at Peace as a Global Language II was the American educational psychologist Dr. Spencer Kagan, famous for the so-called structural approach to cooperative learning.

Acces PDF Cooperative

This pedagogical approach has two aims. One aim is to foster positive, cooperative relationships between learners studying any subject in a class.

Kagan Structures are revolutionary teaching strategies. Why? Because they create an unparalleled level of student engagement.

Kagan Structures create a cooperative and caring class tone by putting students on the same side as they interact in pairs,

Acces PDF Cooperative

small teams, and with classmates. Structures ensure every student is individually accountable so no one can hide and take a free ride.

Structures create equal participation which means all students are engaged a much greater percent of the time. In this must-have Kagan reference guide, you get 59 step-by-step Kagan

Acces PDF Cooperative

Structures you'll use time and time again. More structures means more tools in you teaching toolbox to create more student engagement, more student learning, and more success! 240pp

Win-win discipline is a fresh approach to classroom discipline. It is designed to help students acquire discipline-
