State and federal governments do a ton to help members of the Armed Forces manage education costs. Unfortunately, it sometimes feels like these benefits wear camouflage. At SALT, we think it should be easy to see these options clearly—so we created "The Military Smartbook For Defeating Student Debt," a comprehensive guide to education benefits for servicemembers, veterans, and their families. To help these individuals pay for college, repay student loans, and receive additional education and training, this book details: Federal programs, like the GI Bill and the Yellow Ribbon Program. Benefits from more than 40 different states, as well as Puerto Rico and the U.S. Virgin Islands. How to apply for any of these options. Download your copy for free and learn more about how SALT helps young people borrow less, borrow smart, and repay their loans at saltmoney.org.

" A quiet, beautiful picture book to share. " —Booklist (starred review) " This gentle, lyrical celebration of the natural world will reward similarly observant readers. " —Kirkus Reviews (starred review) " A touching reminder about the beauty of the natural world. " —School Library Journal (starred review) " With meditative language, Johnston offers a vivid sense of the changing seasons and of stillness. LaMarche quietly and sensitively portrays a child who ' s comfortable spending hours alone, working on her own projects and observing—a young naturalist. " —Publishers Weekly (starred review) Witness the changing of a season through a watchful child ' s eyes in this story of nature and discovery from award-winning author Tony Johnston and New York Times Best Illustrated artist Jim La Marche. Day after day, a girl goes to her favorite place in the woods and quietly watches from her tree house as the chipmunks, the doe, the rabbits prepare for the winter. As the temperature drops, sunset comes earlier and a new season begins. Silently she observes the world around her as it reveals its secrets. It takes time and patience to see the changes as, slowly but surely, winter comes.

This Jamaican-inspired fantasy debut about two enemy witches who must enter into a deadly alliance to take down a common enemy has the twisted cat-and-mouse of Killing Eve with the richly imagined fantasy world of Furyborn and Ember in the Ashes. Divided by their order. United by their vengeance. Iraya has spent her life in a cell, but every day brings her closer to freedom—and vengeance. Jazmyne is the Queen ' s daughter, but unlike her sister before her, she has no intention of dying to strengthen her mother ' s power. Sworn enemies, these two witches enter a precarious alliance to take down a mutual threat. But power is intoxicating, revenge is a bloody pursuit, and nothing is certain—except the lengths they will go to win this game. "A thundering waterfall of magic, vengeance and intrigue." —Samantha Shannon, New York Times & Sunday Times bestselling author of The Priory of the Orange Tree and The Bone Season.
