1984 is George Orwell's terrifying vision of a totalitarian future in which everything and everyone is slave to a tyrannical regime lead by The Party. Winston Smith works for the Ministry of Truth in London, chief city of Airstrip One. Big Brother stares out from every poster, the Thought Police uncover every act of betrayal. When Winston finds love with Julia, he discovers that life does not have to be dull and deadening, and awakens to new possibilities. Despite the police helicopters that hover and circle overhead, Winston and Julia begin to question the Party; they are drawn towards conspiracy. Yet Big Brother will not tolerate dissent – even in the mind. For those with original thoughts they invented Room 101 ...

If you love to read and learn new and interesting information, or you just love to read for entertainment, you need this list to get the best books for free everyday. Download this book and start building your library today

The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, The Great Gatsby was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. The Great Gatsby is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's The Great Gatsby is a classic work of American literature reimagined for modern readers.

The Jungle is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878–1968). Sinclair wrote the novel to portray the lives of immigrants in the United States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.

Not favored among European dictatorships in the 1920s and 30s, Jack London's famous The?Call of the Wild was banned for its commentary of Socialism. Strangely, the book was also banned in the US as late as the 1980s. Because the main character is a wolf, the dark work would be mistakenly classified as children's literature and deemed inappropriate.

Dracula is one of the most famous public-domain horror novels in existence, responsible not just for introducing the eponymous Count Dracula, but for introducing many of the common tropes we see in modern horror fiction. Count Dracula isn't the first vampire to have graced the pages of literature—that honor is thought to belong to Lord Ruthven in The Vampyr, by John William Polidori—but Dracula is the vampire on which modern vampires are based. Dracula wasn't as famous in its day as it is today; readers of the time seemed to enjoy it as nothing more than a good story, and Stoker died nearly penniless. But its long-lasting influence is undeniable, and for all its age Dracula remains a gripping, fast-paced, and enjoyable read. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

In a remote Hertfordshire village, far off the good coach roads of George III's England, a country squire of no great means must marry off his five vivacious daughters. At the heart of this all-consuming enterprise are his headstrong second daughter Elizabeth Bennet and her aristocratic suitor Fitzwilliam Darcy -- two lovers whose pride must be humbled and prejudices dissolved before the novel can come to its splendid conclusion.

What is the difference between genuine faith and counterfeit faith? How do we know for sure that our faith is real? How can we know joy even in trials, and patience even in suffering? James is a book full of practical, life-changing help for real life. James For You makes clear its teaching and applies its challenges to the experiences of everyday Christians as Sam Allberry brings his clarity, wisdom and humour to every page. You can read through this book as a normal book... work through it as part of your daily Bible-reading routine... or use it to help you teach this letter, whether in small groups or from the pulpit.

For the first time in history, eradicating world poverty is within our reach. Yet around the world, a billion people struggle to live each day on less than many of us pay for bottled water. In The Life You Can Save, Peter Singer uses ethical arguments, illuminating examples, and case studies of charitable giving to show that our current response to world poverty is not only insufficient but morally indefensible. The Life You Can Save teaches us to be a part of the solution, helping others as we help ourselves.
