We specialize in publishing classic books and have been publishing books since 2014. We now have over 500 book listings available for purchase. Enjoy!

The word jazz in its progress toward respectability has meant first meal, then dancing, then music. It is associated with a state of nervous stimulation, not unlike that of big cities on the edge of a war zone.

The Baby Party (+Biography and Bibliography) (6X9po Glossy Cover Finish): When John Andros felt old he found solace in the thought of life continuing through his child. The dark trumpets of oblivion were less loud at the patter of his child's feet or at the sound of his child's voice babbling mad non sequiturs to him over the telephone. The latter incident occurred every afternoon at three when his wife called the office from the country, and he came to look forward to it as one of the vivid minutes of his day.He was not physically old, but his life had been a series of struggles up a series of rugged hills, and here at thirty-eight having won his battles against ill-health and poverty he cherished less than the usual number of illusions. Even his feeling about his little girl was qualified. She had interrupted his rather intense love-affair with his wife, and she was the reason for their living in a suburban town, where they paid for country air with endless servant troubles and the weary merry-goround of the commuting train.It was little Ede as a definite piece of youth that chiefly interested him. He liked to take her on his lap and examine minutely her fragrant, downy scalp and her eyes with their irises of morning blue. Having paid this homage John was content that the nurse should take her away. After ten minutes the very vitality of the child irritated him; he was inclined to lose his temper when things were broken, and one Sunday afternoon when she had disrupted a bridge game by permanently hiding up the ace of spades, he had made a scene that had reduced his wife to tears

The Rich Boy - Francis Scott Fitzgerald - Fitzgerald's short story "The Rich Boy" (like his novel The Great Gatsby) utilizes an outside narrator to tell the story of a wealthy protagonist in a sympathetic but still somewhat distanced way. Here the protagonist is Anson Hunter, a well-to-do young New Yorker, who would seem to have the whole world ahead of him and the streets paved in gold. By his early twenties, he has found his ideal woman as well: the exquisite -- and very rich -- Paula Legendre. On the surface, Paula would not seem to be the type of girl that would exert such a pull on Anson. Anson seems to have a lot of oats to sow, and Fitzgerald describes Paula as being "conservative and rather proper." But he is, nonetheless, obsessed by her, not because she represents the money he wants -- after all, he already has enough of his own -- but because she represents the social system that justifies his existence. In his world, responsible older men (like his uncle Robert) hold the reins of government and business; chaste and proper women (like Paula and her mother) maintain the rules of propriety and etiquette; and, until they get old enough to assume the mantle of responsible older manhood, playboys like Anson play. That is all Anson thinks he is doing right now. Just as he sees in himself the undeveloped kernel of a future leader, he sees in Paula the kernel of a future society matron. He thinks they would make a good pair. What he doesn't realize, however, is that his virtually unlimited wealth has within it the power to corrupt him, and it's already doing a good job. His first problem is that he sees himself as superior. He carries himself that way; Fitzgerald says that ". . . He had a confident charm and a certain brusque style, and the upper-class men who passed him on the street knew without being told that he was a rich boy and had gone to one of the best schools. . . . Anson accepted without reservation the world of high finance and high extravagance, of divorce and dissipation, of snobbery and of privilege."

Fifth-grade language arts teacher Mrs. Granger comes to regret her lesson that language is controlled by human beings when Nick Allen begins a wildly successful campaign to rename the ballpoint pen. Reprint.

[] The Most Dangerous Game by Richard Connell [] The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. [] The Most Dangerous Game by Richard Connell [] Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. [] The Most Dangerous Game by Richard Connell [] Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. [] The Most Dangerous Game by Richard Connell [] After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive.

The "Fresh Air" book critic investigates the enduring power of The Great Gatsby -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know The Great Gatsby? As Maureen Corrigan, Gatsby lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes Gatsby great-and utterly unusual-So We Read On takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include Gatsby's surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of Gatsby and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

REA's Crash Course for the AP® U.S. History Exam - Gets You a Higher Advanced Placement® Score in Less Time Completely Revised for the 2015 Exam!
