John Updike, "A&P" (adapted from John F. Povey, Literature for Discussion, Fort Worth, TX: Holt, Rinehart and Winston, Inc., 1984) 1. Sammy is an independent young American who feels trapped in a trivial job. Do you think his feeling is, according to the story, reasonable? Is it the first step into business? I think it is reasonable because he feels trapped in the daily routine, which is still ...

Unifies social science research and management theory with public relations techniques to provide a solid theoretical foundation. Covers the management as well as the techniques of public relations, emphasising decision-making and evaluation.

The first of Louise Erdrich ' s polysymphonic novels set in North Dakota – a fictional landscape that, in Erdrich ' s hands, has become iconic – Love Medicine is the story of three generations of Ojibwe families. Set against the tumultuous politics of the reservation, the lives of the Kashpaws and the Lamartines are a testament to the endurance of a people and the sorrows of history.

George Orwells' Animal Farm is a 1945 book about a group of animals on a farm who organise a revolution, and take over from their human owners to run the farm themselves. Adopting the Seven Commandments of Animalism, the animals are taught to read and write by two young pigs, Snowball, and Napoleon. As time goes on, rivalry between the two develops, which culminates in Snowball being chased away and Napoleon becoming supreme leader. Growing more authoritarian, Napoleon purges the farm, executing those animals he accuses of siding with Snowball. And as more time progresses, their motto of 'All animals are equal' gets shifted to prioritise only Napoleon and the pigs. An allegory of the Stalinist era of Russia, Orwell shows that true equality can never be, as there will always be those that rise to the top, pushing others down in the process.

In this wise and lyrical book about landscapes of the desert and the mind, Edward Abbey guides us beyond the wall of the city and asphalt belting of superhighways to special pockets of wilderness that stretch from the interior of Alaska to the dry lands of Mexico.
