When fire damages the new Globe Theatre in London and disrupts rehearsals for Hamlet, young American director Kate Shelton finds herself enmeshed in a malignant drama of staggering proportions in Jennifer Lee Carrell's first novel, *Interred with Their Bones*. Just prior to the fire, Shakespearean scholar Rosalind Howard had given Kate an enigmatic gift in a small box, and she included this cryptic admonition: If you open it, you must follow where it leads.

Inside the box Kate finds the first piece in a Shakespearean puzzle, more . Interred with Their Bones introduces readers to the cryptic and fascinating world of "occult" Shakespeare, the study of the word games, puzzles and ciphers found all throughout the Bard's works. The action begins on the eve of the Globe's production of Hamlet when Shakespeare scholar and theater director Kate Stanley's eccentric mentor Rosalind Howard gives her a mysterious box, claiming to have made a ...

INTERNATIONAL BESTSELLER "A feverishly paced action adventure" (The New York Times) about a long-lost Shakespeare work and a killer who reenacts the Bard's most bloody murders On the eve of the Globe's production of Hamlet, Shakespeare scholar and theater director Kate Stanley's eccentric mentor Rosalind Howard gives her a mysterious box, claiming to have made a groundbreaking discovery. Before she can reveal it to Kate, the Globe is burned to the ground and Roz is found dead—murdered in the strange manner of Hamlet's father. Inside the box, Kate finds the first piece in a Shakespearean puzzle, setting her on a deadly, high-stakes treasure hunt. From London to Harvard to the American West, Kate races to evade a killer and solve a tantalizing string of clues hidden in the words of Shakespeare, which may unlock one of history's greatest secrets. But Kate is not alone in this hunt, and the

Get Free Interred With Their Bones Kate Stanley 1 Jennifer Lee Carrell

buried truth threatens to come at the ultimate cost.

A modern serial killer - hunting an ancient secret. A woman is left to die as the rebuilt Globe theatre burns. Another woman is drowned like Ophelia, skirts swirling in the water. A professor has his throat slashed open on the steps of Washington's Capitol building. A deadly serial killer is on the loose, modelling his murders on Shakespeare's plays. But why is he killing? And how can he be stopped? A gripping, shocking page turner, *The Shakespeare Secret* masterfully combines modern murder and startling true revelations from the life of Shakespeare. It has been acclaimed as one of the most compulsively readable thrillers of recent years.

The modern heroine of the national bestseller *Interred with Their Bones* returns, in a thriller centering on Shakespeare's eeriest play. A legendary theatrical curse . . . A rune-engraved blade, a mysterious mirror, and an ancient cauldron . . . And a ritually murdered body laid out in the manner of ancient pagan burials. Kate Stanley, Jennifer Lee Carrell's dauntless Shakespearean scholar-turned-director, made a memorable-and New York Times bestselling- debut in *Interred with Their Bones*. Having chased down her mentor's killer (and recovering one of Shakespeare's lost plays in the process), Kate's fame as a director with an expertise in "occult Shakespeare" catapults her-and Ben Pearl, her partner in crime-solving-into a new production of *Macbeth*, showcasing a fabled collection of objects relating both to the play and the historical Scottish king for whom it is named. The Bard's witch-haunted play is famously cursed, its reputation for malevolence so strong that many actors refuse to quote or even name the play aloud. And as rehearsals begin at the foot of Scotland's Dunsinnan Hill, it doesn't take long for the curse to stir. Strange references to the boy actor who first played Lady Macbeth in Shakespeare's day-and died in the role-pop up. A trench atop Dunsinnan Hill is found filled with

Get Free Interred With Their Bones Kate Stanley 1 Jennifer Lee Carrell

blood, and a severed human thumb turns up among the props. And Kate begins sleepwalking, waking early one morning alone atop the hill, her hands smeared with blood. Kate has no memory of how she got there, but later that day a local woman is found dead on the hill in circumstances that suggest not just ritual murder but ancient pagan sacrifice. With the police more focused on Kate as a suspect than as a possible future victim, she and Ben find themselves in a desperate race to discover a lost version of Macbeth, said to contain rituals of witchcraft aimed at conjuring demonic forces to gain forbidden knowledge. However much Kate would like to dismiss such rituals as superstition, someone else appears willing to kill for them-and for the manuscript said to spell them out. Marked for sacrifice, can Kate Stanley uncover the killer before she becomes the next victim? Watch a Video

The Speckled Monster tells the dramatic story of two parents who dared to fight back against smallpox. After barely surviving the agony of smallpox themselves, they flouted eighteenth-century medicine by borrowing folk knowledge from African slaves and Eastern women in frantic bids to protect their children. From their heroic struggles stems the modern science of immunology as well as the vaccinations that remain our only hope should the disease ever be unleashed again. Jennifer Lee Carrell transports readers back to the early eighteenth century to tell the tales of Lady Mary Wortley Montagu and Dr. Zabdiel Boylston, two iconoclastic figures who helped save London and Boston from the deadliest disease mankind has known.

Powerful Retelling of the Story of Esther In 1944, blond and blue-eyed Hadassah Benjamin feels abandoned by God when she is saved from a firing squad only to be handed over to a new enemy. Pressed into service by SS-Kommandant Colonel Aric von Schmidt at the transit camp of Theresienstadt in Czechoslovakia, she is able to hide behind the false identity of Stella Muller. However, in order

Get Free Interred With Their Bones Kate Stanley 1 Jennifer Lee Carrell

to survive and maintain her cover as Aric's secretary, she is forced to stand by as her own people are sent to Auschwitz. Suspecting her employer is a man of hidden depths and sympathies, Stella cautiously appeals to him on behalf of those in the camp. Aric's compassion gives her hope, and she finds herself battling a growing attraction for this man she knows she should despise as an enemy. Stella pours herself into her efforts to keep even some of the camp's prisoners safe, but she risks the revelation of her true identity with every attempt. When her bravery brings her to the point of the ultimate sacrifice, she has only her faith to lean upon. Perhaps God has placed her there for such a time as this, but how can she save her people when she is unable to save herself? "I absolutely loved this book. For Such a Time kept me up at night, flipping the pages and holding my breath wanting to know what would happen next. Based on the Biblical book of Esther, the story takes the reader to a concentration camp inside World War II Czechoslovakia, where a young Jewish woman has captured the attention of the Kommandant and has the opportunity to save her people, much as Esther did in the Biblical account. The story is gripping, compelling, and I dare anyone to close the cover before the last suspenseful page."--#1 New York Times Bestselling Author, Debbie Macomber "When I finished Kate Breslin's novel for the first time, I had an urge to flip back to page one and start reading all over again. It's that good. For Such a Time is an intimate portrait painted on a grand scale, bringing to life the drama and pain of suffering with the triumph and joy of freedom. This book deserves a wide audience, and newcomer Breslin has a bright future."--#1 New York Times bestselling author, Susan Wiggs "An engrossing and inspiring story from a talented new writer."--Bestselling Author, Sheila Roberts

A sweeping novel of intrigue and identity, of love and legacy, as a young woman discovers that her own fate is irrevocably tied for better or worse to literature's greatest star-crossed lovers. Twenty-

Get Free Interred With Their Bones Kate Stanley 1 Jennifer Lee Carrell

five-year-old Julie Jacobs is heartbroken over the death of her beloved aunt Rose. But the shock goes even deeper when she learns that the woman who has been like a mother to her has left her entire estate to Julie's twin sister. The only thing Julie receives is a key—one carried by her mother on the day she herself died—to a safety-deposit box in Siena, Italy. This key sends Julie on a journey that will change her life forever—a journey into the troubled past of her ancestor Giulietta Tolomei. In 1340, still reeling from the slaughter of her parents, Giulietta was smuggled into Siena, where she met a young man named Romeo. Their ill-fated love turned medieval Siena upside-down and went on to inspire generations of poets and artists, the story reaching its pinnacle in Shakespeare's famous tragedy. But six centuries have a way of catching up to the present, and Julie gradually begins to discover that here, in this ancient city, the past and present are hard to tell apart. The deeper she delves into the history of Romeo and Giulietta, and the closer she gets to the treasure they allegedly left behind, the greater the danger surrounding her—superstitions, ancient hostilities, and personal vendettas. As Julie crosses paths with the descendants of the families involved in the unforgettable blood feud, she begins to fear that the notorious curse—“A plague on both your houses!”—is still at work, and that she is destined to be its next target. Only someone like Romeo, it seems, could save her from this dreaded fate, but his story ended long ago. Or did it? Praise for Juliet —One of those rare novels that have it all . . . I was swept away—Sara Gruen, author of *Water for Elephants* —Juliet leads us on a thrilling treasure hunt through present-day Italy that makes the classic tragedy itself spellbinding all over again.—Elle —Boldly imagined, brilliantly plotted, beautifully described, Juliet will carry you spellbound until the gripping end.—Susan Vreeland, author of *Clara and Mr. Tiffany* —The Shakespearean scholarship on display is both impressive and well-handled.—The Washington Post

Fledgling playwright William Shakespeare teams up with aspiring

actor Symington Smythe to solve an Elizabethan mystery that could end in murder. Reprint.

Third in the entertaining adventures of Shakespearean actor and sleuth, Nick Revill. It is midsummer in the year 1601. Nick Revill and his fellow actors of the company known as the Chamberlain's Men are journeying across the Wiltshire Downs for a country-house presentation of Shakespeare's *A Midsummer Night's Dream*. It should be a pleasant well-paid jaunt to celebrate a noble marriage, but instead the players find themselves in the midst of a tense family atmosphere, somehow linked to the presence of the household's sinister steward. Very soon Nick finds that the *Dream* has turned into a nightmare, where murder appears commonplace, and before too long he must fight to save his own life against the ancient backdrop of Stonehenge...

Working on a crime-scene clean-up crew, disaffected slacker Web Goodhue meets the daughter of a Malibu suicide victim who enlists his help in getting her brother out of trouble, a task that soon finds him in over his head, the target of some gun-toting L.A. cowboys who are out for blood. Reprint.

StrangeFields Farm has been notorious for its sinister history ever since artist Jackson Temples lured young women there to model for disturbing works of art. Some of those girls never left the house alive. Now, decades later, StrangeFields is to be transformed into a holiday village, but the developer's hopes of its dark history being forgotten are dashed when a skull is found on the site. And when a local florist is found murdered in an echo of Temples' crimes, DI Wesley Peterson fears that a copycat killer is at large. As Wesley's friend, archaeologist Dr Neil Watson, uncovers the secrets of StrangeFields' grisly past, it appears that an ancient tale of the dead returning to torment the living might not be as fantastical as it seems...
