- 1) You want to pass the PMP Exam (that is based on PMBOK 5th Edition)!
- 2) You have read the PMBOK 5th Edition (or 4th Edition or any other PMP exam prep book for that matter) and still not able to connect the dots or simply got overwhelmed by the amount of info.
- 3) You are easily "lost" as to where you are, exactly, in the PMBOK (or any other PMP exam prep book for that matter) while reading the deeper details of something in that book.
- 4) You are tired of the usual PMP Exam reviewer books - these are just presenting more information of the same instead of presenting PMP-exam info in a distilled form! You need some refresher; a quick and fast dose of PMP information.
- 5) You are a Project Management Professional and you just need a Project Management Reference book with key ideas, details and takeaways to go with it.
- 6) You are a student with an interest on Project Management...and looking for ways of enhancing and clarifying newly acquired Project Management information.
- 7) You need a bit of a push, a nudge to get you closer to your PMP certification objective.
- 8) You are having a hard time recollecting the various Knowledge Areas, Processes, Tools and Techniques!
- 9) You are just sick and tired of not being a certified Project Management Professional - and you want to do something about it, now!
- 10) Limited time offer: discounted price! If you are still on the fence, let me make it easier for you to take that leap: buy this book at its introductory discounted price! PROJECT MANAGERS: Are you ready to increase your marketability, network with other project managers, and improve your abilities to lead a project? Become a certified PMP with my efficient, easy-to-follow study guide book, PMBOK® Guide and PMP® Exam Prep Book 2018-2019: Study Guide on the Project Management Body of Knowledge with Practice Test Questions for the Project Management Professional Exam by Robert P. Nathan! As any project manager will tell you, time is the most valuable commodity in a project. Updated in line with the PMBOK Sixth Edition, my PMBOK Guide and PMP Exam Prep Book 2018-2019 is designed to make the most of the time you spend preparing for the exam. Rather than being hundreds of pages too long, the following chapters have gone through multiple stages of revision to include only those things that you need to know. The chapters have been designed to be readable, as well as to be easy to

scan if you are flipping through. The structure of my book is based on project management's five major process groups: Chapter One: Initiation Chapter Two: Planning Chapter Three: Executing Chapter Four: Monitoring and Controlling Chapter Five: Closing Every chapter covers vital information on project management's ten knowledge areas: communication management, cost management, human resources management, integration management, procurement management, quality management, risk management, scope management, stakeholder management, and time management. Inputs, tools, techniques, and outputs (ITTOs) are organically written into the main text to show how they all fit together. The exam will test your understanding of best practices not memorization of lists. Included with every copy of my study guide is: Ten practice exam questions at the end of each chapter with answers and explanations A full two-hundred question practice exam with answers and explanations A full glossary of all tested terms Access to a FREE app with online flashcards of all tested terms Please note that PMBOK® is a registered trademark of PMI. PMI does not sponsor or endorse this book.
