NOW A MAJOR MOTION PICTURE • " [Dunthorne ' s] precocious talent and cheerful fondness for the teenage male are showcased in Submarine. . . . Oliver ' s voice is funny and dead-on. " —The New York Times Book Review(Editors ' Choice) At once a self-styled social scientist, a spy in the baffling adult world, and a budding, hormone-driven emotional explorer, Oliver Tate is stealthily nosing his way forward through the murky and uniquely perilous waters of adolescence. His objectives? Uncovering the secrets behind his parents ' teetering marriage, unraveling the mystery that is his alluring and equally quirky classmate Jordana Bevan, and understanding where he fits in among the mystifying beings in his orbit. Struggling to buoy his parents ' wedded bliss, deep-six his own virginity, and sound the depths of heartache, happiness, and the business of being human, what ' s a lad to do? Poised precariously on the cusp of innocence and experience, Oliver Tate aims to damn the torpedoes and take the plunge. BONUS: This edition contains an excerpt from Joe Dunthorne's Wild Abandon. Praise for Submarine " [Joe Dunthorne is] probably destined to be compared with Mark Haddon and Roddy Doyle. " —The Miami Herald " This absolutely winning debut novel isn ' t so much a coming-of-age tale as it is a reflection on what it means to be a certain age and of an uncertain mind. " —Los Angeles Times " A brilliant first novel by a young man of ferocious comic talent. " —The Times (London) " Preternaturally wise, slightly devious and highly entertaining. " —USA Today

Kate and Albert have always lived on the secluded communal farm run by their father. But now, after twenty years, the community is disintegrating, taking their parents' marriage with it. To escape, Kate, at seventeen, flees to a suburbia she knows only through fiction; and Albert, at eleven, dives into preparations for the end of the world that he is sure is coming. Don- the father of the family, leader, and maker of elaborate speeches- is faced with the prospect of saving his community, his marriage, his son from apocalyptic visions, ad his daughter from impending men. He convinces himself that the only way to save his world is... to throw the biggest party of his life. But will anyone show up?

For readers of Roddy Doyle, Nick Hornby, and Mark Haddon, The Adulterants is a piercingly funny—and cringingly poignant—take on how hard it is to grow up and how hard it is when you don ' t. Ray Morris is a tech journalist with a forgettable face, a tiresome manner, a small but dedicated group of friends, and a wife, Garthene, who is pregnant. He is a man who has never been punched above the neck. He has never committed adultery with his actual body. He has never been caught up in a riot, nor arrested, nor tagged by the state, nor become an international hate-figure. Not until the summer of 2011, when discontent is rising on the streets and within his marriage. Ray has noticed none of this. Not yet. The Adulterants would be a coming-of-age story if its protagonist could only forget that he is thirty-three years old. Throughout a series of escalating catastrophes, our deadpan antihero keeps up a merciless mental commentary on the foibles and failings of those around him, and the vicissitudes of modern urban life: internet trolls, buy-to-let landlords, open marriages, and the threat posed by more sensitive men. But the wonder of The Adulterants is how we feel ourselves rooting for Ray even as we acknowledge that he deserves everything he gets.

Gordy LaSure's passionate about film. He eats film, he drinks film, and sometimes he'll even watch a film. But most of all he loves talking to people about film: whether a comely student with low confidence and a father complex, a Studio 'development' exec who doesn't trust his own judgement, or the countless people Gordy LaSure's encountered in his capacity as the web moderator on an Excessive Sweating Discussion Forum. Gordy LaSure's alwaysstalking about films and how they'd be a shit ton better if only people would pull their asses out of their ears and listen to Gordy LaSure. The voyage of this book can be categorised as an attempt to understand How In Hell Film Works. Why are some films bad, and some films terrible?How come just a handful of films (Titanic, Porky's, Dirty Harry) areany good at all? Gordy'll tell you How and Why, and he'll give you a slug of Wherefore on the side. And he doesn't shoot from the hip; he shoots from the gut.

This is what it ' s like to be a high-school-age girl. To forsake the boyfriend you once adored. To meet the love of your life, who just happens to be your teacher. To discover for the first time the power of your body and mind. This is what it ' s like to be a college-age woman. To live through heartbreak. To suffer the consequences of your choices. To depend on others for survival but to have no one to trust but yourself. This is Anthropology of an American Girl. A literary sensation, this extraordinarily candid novel about the experience of growing up female in America will strike a nerve in readers of all ages. BONUS: This edition contains an Anthropology of an American Girl discussion guide.

'Hairstyles' is an honest depiction of growing up punk on Chicago's south side: a study in the demons of racial intolerance, Catholic school conformism and class repression. It is the story of the riotous exploits of Brian, a high school burnout, and his best friend Gretchen, a punk rock girl fond of brawling. Joe Meno won the 2003 Nelson Algren Literary Award and is the author of 'Tender as Hellfire' (St. Martin's, 1999) and 'How the Hula Girl Sings' (HarperCollins, 2001). His online fictional serial, 'The Secret Hand', is published through 'Playboy Magazine'. His short fiction has been published in 'TriQuarterly', 'Bridge', 'Other Voices Washington Square', and has been broadcast on National Public Radio. He lives in Chicago, and he is a columnist for 'Punk Planet' magazine.

In this book Richard Ayoade - actor, writer, director, and amateur dentist - reflects on his cinematic legacy as only he can: in conversation with himself. Over ten brilliantly insightful and often erotic interviews, Ayoade examines himself fully and without mercy, leading a breathless investigation into this once-in-a-generation visionary. Only Ayoade can appreciate Ayoade's unique methodology. Only Ayoade can recognise Ayoade's talent. Only Ayoade can withstand Ayoade's peculiar scent. Only Ayoade can truly get inside Ayoade. They have called their book Ayoade on Ayoade: A Cinematic Odyssey. Take the journey, and your life will never be the same again. Ayoade on Ayoade captures the director in his own words: pompous, vain, angry and very, very funny.

The second novel from the New York Times bestselling author of If You Were Here takes us back to the hair metal 80's. Twenty years after ruling the halls of her suburban Chicago high school, Lissy Ryder doesn ' t understand why her glory days ended. Back then, she was worshipped...beloved...feared. Present day, not so much. She ' s been pink-slipped from her high-paying job, dumped by her husband and kicked out of her condo. Now, at thirty-seven, she ' s struggling to start a business out of her parents ' garage and sleeping under the hair-band posters in her old bedroom. Lissy finally realizes karma is the only bitch bigger than she was. Her present is miserable because of her past. But it ' s not like she can go back in time and change who she was...or can she?

The long-awaited debut from the poet, novelist and journalist Joe Dunthorne. He was one of the most popular of our Faber New Poets (2010), and this collection has all the appeal of his acclaimed fiction: arch, playful and self-aware; truly funny and enviably cool.

Only the author of The Hunt for Red October could capture the reality of life aboard a nuclear submarine. Only a writer of Mr. Clancy's magnitude could obtain security clearance for information, diagrams, and photographs never before available to the public. Now, every civilian can enter this top secret world...the weapons, the procedures, the people themselves...the startling facts behind the fiction that made Tom Clancy a #1 bestselling author.
