With a pedigree going back over ten years, The DefinitiveHandbook of Business Continuity Management can rightly claim tobe a classic guide to business risk management and contingencyplanning, with a style that makes it accessible to all businessmanagers. Some of the original underlying principles remain thesame – but much has changed. This is reflected in thisradically updated third edition, with exciting and helpful newcontent from new and innovative contributors and new case studiesbringing the book right up to the minute. This book combines over 500 years of experience from leadingBusiness Continuity experts of many countries. It is presented inan easy-to-follow format, explaining in detail the core BCactivities incorporated in BS 25999, Business ContinuityGuidelines, BS 25777 IT Disaster Recovery and other standards andin the body of knowledge common to the key business continuityinstitutes. Contributors from America, Asia Pacific, Europe, China, Indiaand the Middle East provide a truly global perspective, bringingtheir own insights and approaches to the subject, sharing bestpractice from the four corners of the world. We explore and summarize the latest legislation, guidelines andstandards impacting BC planning and management and explain theirimpact. The structured format, with many revealing case studies,examples and checklists, provides a clear roadmap, simplifying andde-mystifying business continuity processes for those new to itsdisciplines and providing a benchmark of current best practice forthose more experienced practitioners. This book makes a massive contribution to the knowledge base ofBC and risk management. It is essential reading for all businesscontinuity, risk managers and auditors: none should be withoutit.
