Riveted is the third book in Meljean Brook's Iron Seas series, and easily my favorite of the series, and most definitely one of my favorite reads of the year. I suspect it is going to be everyone's favorite in the series... no joke! While it is based in the same Iron Seas world, it is a completely new setting, Iceland, with new folklore and mythology. New characters, too!

The New York Times bestselling author of The Iron Duke and Heart of Steel returns to the Iron Seas with a riveting new adventure of steamy romance. A century after a devastating volcanic eruption forced Iceland's inhabitants to abandon its shores, the island has become enshrouded in legend. But the truth behind the legends is mechanical, not magical—and the mystery of the island a matter of life and death for a community of women who once spilled noble blood to secure their freedom.
