9780241196564: The Challenger Customer: Selling to the ...

The Challenger Customer is the long-awaited sequel to the bestselling sales classic The Challenger Sale, the book which introduced the controversial idea that challenging the customer is the key to sales success. But it turns out that's only half the story: it's not just that you challenge, but who you challenge that really matters.

The Challenger Customer: Selling to the Hidden Influencer

The Challenger sales method relies on delivering insight about an unknown problem or opportunity in the customer's business that the supplier is uniquely positioned to solve. It captures a prospect's assumptions or beliefs, pinpoints flaws or untruths in them, and then makes room for a sales rep to offer a better solution.
