The New Silk Road**The New Silk Roads: Present and future of the world** - (Book Review) *The New Silk Road*
The New Silk Road is also called the Belt and Road Initiative. It links countries in Europe, Asia, and Africa together. The plan was initiated by Xi Jinping, President of the People's Republic of China. The New Silk Road focuses on investment for railway, highway and port construction Historical Background of the Silk Road

The New Silk Road - China's Belt and Road Initiative

The silk road was a network of paths connecting civilizations in the East and West that was well traveled for approximately 1,400 years. Merchants on the silk road transported goods and traded at bazaars or caravanserais along the way. They traded goods such as silk, spices, tea, ivory, cotton, wool, precious metals, and ideas.

The New Silk Road | *National Geographic Society*

This is a seminal essay for the beginning of a new era in 2010. The economic world is shifting its axis and the author makes a clear historical long ago event as the catalyst for the future, namely, the old silk road is also the new silk road.

China's Belt and Road Initiative (BRI), sometimes referred to as the New Silk Road, is one of the most ambitious infrastructure projects ever conceived.

China's Massive Belt and Road Initiative | Council on ...

The land route of the Silk Road also appears to remain a niche project in terms of transport volume in the future. In the maritime silk road, which is already the route for more than half of all containers in the world, deepwater ports are being expanded, logistical hubs are being built and new traffic routes are being created in the hinterland.

In The New Silk Roads, Peter Frankopan takes us on an eye-opening journey through the region, from China's breathtaking infrastructure investments to the flood of trade deals among Central Asian republics to the growing rapprochement between Turkey and Russia. This important book asks us to put aside our preconceptions and see the world from a new—and ultimately hopeful—perspective.
