NEW COVER The Rocker.... I was the fun loving, easy going, different girl-okay, different girls every night-Demon. One look into a pair of violet eyes and all of that changed. part of me, my other half. If only she would open her incredible eyes and see how I feel... The Beauty... I knew that I wasn't Shane Stevenson's type. Hot rockers don't go for plain girls like me. Years of my mother telling me just how unbeautiful I am has assured me of that. I have nothing to offer a guy that is so used to hot girls drooling over him. So why is he always there when I turn around? And why does it feel like little needles piercing my heart at the mere thought of him with someone else?

NEW COVER Touring with four rockers is the thing of dreams... At least that is what people tell me. To me those four rockers are my family. They have watched over me from the time I was five years old. Protecting me from my mother and her drunken, drug addict rages. When they made it big they still watched over me. And when my monster of a mother died they took over as my guardians. In the six years since that happened I have watched over the four men that mean everything to me. I take care of them just as they once took care of me. I handle all the dirty work behind the scenes of a rockers life. It isn't always pretty. At times it can be damn near disgusting, especially when I have to get rid of their one night stands. Ugh! Taking care of them doesn't bother me though. I mean it's not like I'm in love with one of them. That would be crazy. Falling for a rocker is NOT smart. Okay, so I'm not smart. I love my

guys, and one of them kind of holds my heart in his big old rocker hand. But I'm dealing. I've been able to keep it my little secret for years now. I'm not, however, dealing with this bug that I seem to have caught. It scares the hell out of me. I hate doctors, but I'm suddenly more worried about finding out what is wrong with me than what the doctor might do to me. When I get my test results back my life will never be the same again... ***Because of language and adult situations not suitable for readers under 17***

Mature Content. ***Not Intended For Readers Under The Age Of 17*** A Bet... Yes, I made a bet with my best friend-my now ex-best friend. It had been a stupid, heat of the moment kind of thing. Now I can't even get close to Natalie. She thinks all she ever meant to me was just the means to the end of a stupid, stupid game. ...For a Bet! In the span of one night I'd gone from thinking I had a future with the man I loved to SHATTERED at his feet. I can't get over it. The pain is too strong, too destructive as it festers more and more inside of me. And then my friend came up with the perfect revenge for both our broken hearts. "I bet you..." Those three little words gave me a reason to ball my pain

had big dreams of how I wanted my life. Becoming a rock star was all I wanted. It would solve so many of my problems. Then I opened my eyes and saw that everything I ever wanted was standing in front of me. From the first day I set eyes on Emmie she became a part of me. The guys and I spent years watching over her, caring for her... Loving her. Then without my realizing it my love for her changed. I've ever done has been for her. Always for her. I feel as if I need her to breathe, to feel alive. But I can't have Marissa. She's to innocent, to damn perfect. And me? I'm not good enough for that girl. She deserves better, someone who would spend their life CHERISHING her. Not breaking her heart.

Marissa Between my brother and Wroth Niall I'd been protected from the world for most of my life. You would think I was still a little girl the way they treated me. But I wasn't made out of glass. It would take a lot to break this girl. Because if a childhood cancer hadn't kicked my butt, nothing would. Right? Wrong. All I've ever wanted was for him to look at me. Really look at me and see that I wasn't a fragile piece of porcelain that would break if he touched me. What I got was a lot more...but nowhere close to enough. Once I touched heaven-at least heaven for me-and now I didn't know how to go back to what Wroth and I had had before. I can't go back to the life I was living before my short time with Wroth. It would destroy me to stay that close, when I know that I'm not what he really wants. So when my brother asks me to go on tour with him yet again, I decide to jump on that tour bus without a backwards glance. Only I wasn't prepared to be stuck on HIS bus.

book idea, and a lone journalist's dogged quest for truth in the Internet age. New York, 2005. Chinese expatriate Feng Danlin is a fiercely principled reporter at a small news agency that produces a website read by the Chinese diaspora around the world. Danlin's explosive exposés have made him legendary among readers--and feared by Communist officials. But his newest assignment may be his undoing: investigating his ex-wife, Yan Haili, an unscrupulous novelist who has willingly become a pawn of the Chinese government in order to realize her dreams of literary stardom. Haili's scheme infuriates Danlin both morally and personally--he will do whatever it takes to expose her as a fraud. But in outing Haili, he is also provoking her powerful political allies, and he will need to draw on all of his journalistic cunning to emerge from this investigation with his career--and his life--still intact. A brilliant, darkly funny story of corruption, integrity, and the power of the pen, *The Boat Rocker* is a tour de force of modern fiction.
