When her teenage son disappears in the aftermath of a brutal murder, a determined mother sets out from her snow-covered nineteenth-century settlement to find him, an effort that is hampered by vigilante groups and the harrowing forces of nature. A first novel. Winner of the 2006 Costa Book of the Year. Reprint. 100,000 first printing.

"After killing the red-haired man, I took myself off to Quinn's for an oyster supper." So begins an extraordinary story of betrayal and treachery, of delusion and deceit narrated by Edward Glyver. Glyver may be a bibliophile, but he is no bookworm. Employed "in a private capacity" by one of Victorian London's top lawyers, he knows his Macrobius from his First Folio, but he has the street-smarts and ruthlessness of a Philip Marlowe. And just as it is with many a contemporary detective, one can't always be sure whether Glyver is acting on the side of right or wrong. As the novel begins, Glyver silently stabs a stranger from behind, killing him apparently at random. But though he has committed a callous and brutal crime, Glyver soon reveals himself to be a sympathetic and seductively charming narrator. In fact, Edward Glyver keeps the reader spellbound for 600 riveting pages full of betrayal, twists, lies, and obsession. Glyver has an unforgettable story to tell. Raised in straitened circumstances by his novelist mother, he attended Eton thanks to the munificence of a mysterious benefactor. After his mother's death, Glyver is not sure what path to take in life. Should he explore the new art of photography, take a job at the British Museum, continue his travels in Europe with his friend Le Grice? But then, going through his mother's papers, he discovers something that seems unbelievable: the woman who raised him was not his mother at all. He is actually the son of Lord Tansor, one of the richest and most powerful men in England. Naturally, Glyver sets out to prove his case. But he lacks evidence, and while trying to find it under the alias "Edward Glapthorn," he discovers that one person stands between him and his birthright: his old schoolmate and rival Phoebus Rainsford Daunt, a popular poet (and secret criminal) whom Lord Tansor has taken a decidedly paternal interest in after the death of his only son. Glyver's mission to

regain his patrimony takes him from the heights of society to its lowest depths, from brothels and opium dens to Cambridge colleges and the idylls of Evenwood, the Tansor family's ancestral home. Glyver is tough and resourceful, but Daunt always seems to be a step ahead, at least until Glyver meets the beguilingly beautiful Emily Carteret, daughter of Lord Tansor's secretary. But nothing is as it seems in this accomplished, suspenseful novel. Glyver's employer Tredgold warns him to trust no one: Is his enigmatic neighbour Fordyce Jukes spying on him? Is the brutal murderer Josiah Pluckthorn on his trail? And is Glyver himself, driven half-mad by the desire for revenge, telling us the whole truth in his candid, but very artful, "confession"? A global phenomenon, *The Meaning of Night* is an addictive, darkly funny, and completely captivating novel. Meticulously researched and utterly gripping, it draws its readers relentlessly forward until its compelling narrator's final revelations.

When Samuel Godwin, a young and naive art tutor, accepts a job with the Farrow family at their majestic home, little does he expect to come across a place containing such secrets and lies. His two tutees are as different as can be--younger sister Marianne, full of flightiness and nervous imagination, and Juliana, sensible and controlled. Helped by their governess, Charlotte Agnew, Samuel begins to uncover slowly why Marianne is so emotionally fragile, and in doing so uncovers a web of intrigue. But his discoveries lead to revenge and betrayal--and lives all around are turned upside down. Linda Newbery has written a novel in diary style, combining different voices and a different century with her usual brilliance and ease. These are characters full of the same passions as our own today, while living in an unfamiliar and fascinating time.

* A Washington Post Notable Fiction Book of the Year * Named a Best Book of 2017 by NPR, The Guardian, The Boston Globe, St. Louis Dispatch From the thrilling imagination of bestselling, award-winning Colm Tóibín comes a retelling of the story of Clytemnestra and her children--brilliant, gripping, high drama--made tangible and graphic in Tóibín's lush prose (Booklist, starred review). "I have been acquainted with the smell of death." So begins Clytemnestra's tale of her own life in ancient Mycenae, the legendary Greek city from which her husband King Agamemnon left when he set sail with his army for Troy. Clytemnestra rules Mycenae now, along with her new lover Aegisthus, and together they plot the bloody murder of Agamemnon on the day of his return after nine years at war. Judged, despised, cursed by gods, Clytemnestra reveals the tragic saga that led to these bloody actions: how her husband deceived her eldest daughter Iphigeneia with a promise of marriage to Achilles, only to sacrifice her; how she seduced and collaborated with the prisoner Aegisthus; how Agamemnon came back with a lover himself; and how Clytemnestra finally achieved her vengeance for his stunning betrayal--his quest for victory, greater than his love for his child. *House of Names* is a disturbingly contemporary story of a powerful woman caught between the demands of her ambition and the constraints on her gender--Never before has Tóibín demonstrated such range, (The Washington Post). He brings a modern sensibility and language to an ancient classic, and gives this extraordinary character new life, so that we not only believe Clytemnestra's thirst for revenge, but applaud it. Told in four parts, this is a fiercely dramatic portrait of a murderess, who will herself be murdered by her own son, Orestes. It is Orestes's story, too: his capture by the forces of his mother's lover Aegisthus, his escape and his exile. And it is the story of the vengeful Electra, who watches over her mother and Aegisthus with cold anger and slow calculation, until, on the return of her brother, she has the fates of both of them in her hands.

'A modern work of genius' Spectator Winner of the Costa/Whitbread Book of the Year Award 1993 Forced into slavery as a child, Jonathan Carrick escapes to a new life but within him lies the need for revenge against George Stokes, the son of his former master. Mallory Carrick, confined to a wheelchair, seeks to find out the truth about her grandfather's history. Haunting, elegant and passionate, *Theory of War* is a novel about how the past lives on through following generations. It follows one woman's journey to discover what her grandfather might have experienced and how his suffering still haunts his

10 YEAR ANNIVERSARY EDITION - FEATURES READING GROUP QUESTIONS AND NEW MATERIAL FROM STEF'S UPCOMING EPIC NOVEL, UNDER A POLE STAR COSTA AWARD WINNER and WORLDWIDE BESTSELLER. A breathtaking tale of mystery, buried secrets and romance, set in nineteenth century frontier Canada - for fans of THE SNOW CHILD and A PLACE CALLED WINTER. 'Unquestionably atmospheric, evocative and rewarding' Independent on Sunday 'A tense and delicately written thriller' Observer Canada, 1867. A young murder suspect flees across the snowy wilderness. Tracking him is what passes for the law in this frontier land: trappers, sheriffs, traders and the suspect's own mother, desperate to clear his name. As the party pushes further from civilisation, hidden purposes and old obsessions are revealed. One is seeking long-lost daughters; another a fortune in stolen furs; yet another is chasing rumours of a lost Native American culture. But where survival depends on cooperation, their fragile truce cannot afford to be broken, nor their overriding purpose - to find justice for a murdered man - forgotten. The Tenderness of Wolves is a must-read historical epic, weaving adventure, suspense and humour into an exhilarating thriller, a panoramic romance and ultimately, one of the books of the last ten years.

A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage

Follows the adventures of detective Dave Robicheaux, who struggles with alcoholism and rage while fighting to protect lives in Katrina-devastated New Orleans.

□The Alienist set in eighteenth-century Stockholm: Brawny, bloody, intricate, enthralling□and the best historical thriller I've read in twenty years. □A.J. Finn, #1 bestselling author of The Woman in the Window □Thrilling, unnerving, clever, and beautiful. □Fredrik Backman, #1 bestselling author of A Man Called Ove □Chilling and thought-provoking. Relentless, well-written, and nearly impossible to put down. □Kirkus Reviews (starred review) One morning in the autumn of 1793, watchman Mikel Cardell is awakened from his drunken slumber with reports of a body seen floating in the Larder, once a pristine lake on Stockholm's Southern Isle, now a rancid bog. Efforts to identify the bizarrely mutilated corpse are entrusted to incorruptible lawyer Cecil Winge, who enlists Cardell's help to solve the case. But time is short: Winge's health is failing, the monarchy is in shambles, and whispered conspiracies and paranoia abound. Winge and Cardell become immersed in a brutal world of guttersnipes and thieves, mercenaries and madams. From a farmer's son who is lead down a treacherous path when he seeks his fortune in the capital to an orphan girl consigned to the workhouse by a pitiless parish priest, their investigation peels back layer upon layer of the city's labyrinthine society. The rich and the poor, the pious and the fallen, the living and the dead□all collide and interconnect with the body pulled from the lake. Breathtakingly bold and intricately constructed, The Wolf and the Watchman brings to life the crowded streets, gilded palaces, and dark corners of late-eighteenth-century Stockholm, offering a startling vision of the crimes we commit in the name of justice, and the sacrifices we make in order to survive.

Sometimes you have to travel to the farthest edge of the world in order to find your true place in it... A panoramic historical epic and an unforgettable love story from the author of The Tenderness of Wolves, for fans of Kristin Hannah, Sarah Perry, and Barbara Kingsolver A whaler's daughter, Flora Mackie first crossed the Arctic Circle at the age of twelve. Years later, in 1892, determination and chance lead her back to northern Greenland as a scientist at the head of a British expedition, defying the expectations of those who believe a woman has no place in that harsh world. Geologist Jakob de Beyn was raised in Manhattan. Yearning for wider horizons, he joins a rival expedition. Jakob and Flora's paths cross. It is a fateful meeting, where passion and ambition collide and an irresistible attraction is born. The violent
