For fans of Conan Doyle's immortal detective, the game is always afoot. However, the great detective has never encountered an adversary quite like the one with whom he crosses swords in "The Vatican Cameos."

Fresh from almost getting killed helping Sebastian McCabe solve The 1895 Murder, Jeff Cody and Lynda Teal are enjoying their honeymoon alone in Rome when mystery and murder intrude. The disappearance of a young American ' s Roman boyfriend seems like a familiar tale of a summer romance leading to heartbreak . . . until a cameo necklace purchased at the Vatican is stolen right off of Lynda ' s neck. The feisty young journalist finds a connection between the two events as she solves her own case for the first time. In a departure from the McCabe – Cody mystery novels, she also narrates the story. The many fans of Jeff and Lynda will be delighted to read this short story bridge to the next novel in the series, The Disappearance of Mr. James Phillimore.

When the papal apartments are burgled in 1901, Sherlock Holmes is summoned to Rome by Pope Leo XII. Intrigue at the Vatican abounds as Sherlock Holmes investigates three baffling mysteries at the "express desire of his Holiness, the Pope."

When a meeting with a client goes disastrously wrong, Sherlock Holmes soon finds himself involved in a case of murder with two dead bodies and too few clues. From some clear pieces of glass and a raven's feather, the Great Detective must divine exactly who the client was and what prompted him to seek assistance at 221B. Fortunately, Holmes has a number of experts upon whom he can rely as well as his own vast store of esoteric knowledge. Treading a twisted path, Holmes soon finds himself matching wits with an unseen criminal, who appears to be the equal of the late Professor Moriarty. At the same time, he is tasked with sparing the monarchy any possible embarrassment that may stem from the investigation. It's a deadly game of cat-and-mouse that finds Holmes and Watson attending underground auctions, using rare and priceless artefacts as bait and holding a late night vigil in anticipation of deterring a theft, all the while trying to understand how a priceless antiquity fits into their investigation. Like his previous books, Richard T. Ryan's Three May Keep a Secret is a deft blend of history and mystery, interweaving real-life personalities and ancient artefacts with the gas-lit streets of Victorian England and the characters of the Canon. The end result is a pastiche that should appeal to anyone who appreciates a tangled skein spiced with a healthy dollop of suspense and intrigue.

The dispatch-box of Doctor John H. Watson, the faithful companion and biographer of Sherlock Holmes, was the second such box to be sent to Hugh Ashton, who has edited and commented on the adventures in this volume. With two exceptions, these stories have appeared previously in print, in the Dispatch-box series published by Inknbears Press. Here, though, for the first time in one edition, in homage to the original style of The Strand Magazine, are the adventures of Sherlock Holmes in: - The Affair of the Vatican Cameos - The Reigate Poisoning Case - The Reigate Poisoning Case: Concluded - The Story of John Henry Augustus Clay (as told by himself) - The Abernetty Horror - The Adventure of the Finsbury House - The Curious Affair of the Archdeacon - An Account of the Victor Lynch Forgery (by Inspector Lestrade) - The Russian Bear - The Adventure of the Hand of Glory - The Adventure of the Disappearing Spoon - The Lichfield Murder - The Case of the Two Detectives - The Tarleton Murders - The Case of the Abominable Wife - Vamberry the Wine Merchant - The Singular Affair of the Aluminium Crutch - The Adventure of the Two Bottles Hugh Ashton has been praised as being one of the authors who come closest to Sir Arthur Conan Doyle in his depiction of the great detective and his world. "Hugh Ashton ... reproduces the Watson style very acceptably, and great care is taken over the appearance of his texts." The District Messenger, newsletter of the Sherlock Holmes Society of London.

Reluctantly, Sherlock Holmes agrees to assist Inspector Lestrade who is being hounded by an obnoxious nobleman whose jewel-encrusted dagger has gone missing. However, what Holmes initially believes to be a simple theft turns out instead to be his first encounter with a master criminal, who is as ruthless as he is brilliant, and whom Watson dubs "The Merchant of Menace." Soon Holmes finds himself matching wits with a man who will steal anything - if the price is right. Moreover, this thief will go to any lengths, including blackmail and murder, to achieve his desired goal. As Holmes comes to understand his adversary, he also begins to realize he can only react to the Merchant because he has no idea where this criminal mastermind will strike next. All Holmes knows for certain is the Merchant seems to specialize in priceless, one-of-a-kind articles. Will that be enough information for the Great Detective to outwit his foe? From the British Museum to the Louvre to Blenheim Palace, Holmes finds himself in a deadly game of cat-and-mouse. Set against the backdrop of early Edwardian England, the Great Detective and his Boswell encounter an array of luminaries from the Duke and Duchess of Marlborough to a young Winston Churchill. For fans of Conan Doyle's immortal detective, the game is always afoot. However, this time around Holmes must try to bring to justice a villain who might well be the next Napoleon of Crime.

This collection of stories, allegedly written by Doctor Watson, includes the theft of the Vatican cameos, the arrest of Huret the Boulevard assassin, and the terrible death of Crosby the banker.

During the elaborate funeral for Queen Victoria, a group of Irish separatists breaks into Westminster Abbey and steals the Coronation Stone, on which every monarch of England has been crowned since the 14th century. After learning of the theft from Mycroft, Sherlock Holmes is tasked with recovering the stone and returning it to England. In pursuit of the many-named stone, which has a rich and colorful history, Holmes and Watson travel to Ireland in disguise as they try to infiltrate the Irish Republican Brotherhood, the group they believe responsible for the theft. The story features a number of historical characters, including a very young Michael Collins, who would go on to play a prominent role in Irish history; John Theodore Tussaud, the grandson of Madame Tussaud; and George Bradley, the dean of Westminster at the time of the theft. There are also references to a number of other Victorian luminaries, including Joseph Lister and Frederick Treves. For fans of Conan Doyle ' s immortal detective, the game is always afoot. However, for the great detective the stakes have never been higher as he must mollify a king who refuses to ascend the throne until " order has been restored. "
