Think Like A Marine August 22, 2014 Written by admin "God, Country, Corps, Family, and Self". What do these words bring to mind? These are the words (in exactly the same order) used by a marine to define honor. Honor has been associated with glory in a lot of circumstances. However, to a Marine, glory has very little to do with honor.

The Marines believe that a Marine Rifleman is the most effective weapon on the battlefield and the Navy Corpsman kept them alive and fighting. From what I saw, no one messed with a Corpsman when a ...

The manual describes the general strategy for the U.S. Marines but it is beneficial for not only every Marine to read but concepts on leadership can be gathered to lead a business to a family. If you want to see what make Marines so effective this book is a good place to start.

A debut novel by an Iraq War veteran presents the stories of platoon leader Lieutenant Donovan, who feels isolated by his rank; medic Doc Pleasant, who is unraveled by the deaths of friends; and Iraqi interpreter Dodge, who both loves and hates what America represents.

Chronicles the friendship of a Chinese boy and the group of U.S. Marines who would never forget him

MCDP 1 WARFIGHTING Since Fleet Marine Force Manual 1, Warfighting, was first published in 1989, it has had a significant impact both inside and outside the Marine Corps. That manual has changed the way Marines think about warfare. It has caused energetic debate and has been translated into several foreign languages, issued by foreign militaries, and published commercially. It has strongly influenced the development of doctrine by our sister Services. Our current naval doctrine is based on the tenets of maneuver warfare as described in that publication. Current and emerging concepts such as operational maneuver from the sea derive their doctrinal foundation from the philosophy contained in Warfighting. Our philosophy of warfighting, as described in the manual, is in consonance with joint doctrine, contributing to our ability to operate harmoniously with the other Services.

The platoon leader who served in Company C during the 1970 withdrawal of the 1st Marine Division in Vietnam describes his experiences in several combat situations, from ambushes to emergency abstractions to prisoner captures. Reprint.

"ONE OF THE BEST VIETNAM WAR STORIES I'VE EVER READ, one damn good, compelling read. It's almost something out of a Clancy novel, yet it's true. The best thing I can say about it is I didn't want it to end." --Col. David Hackworth, New York Times bestselling author of About Face By the spring of 1970, American troops were ordered to pull out of Vietnam. The Marines of 1st Reconnaissance Battalion, commanded by Lieutenant Colonel "Wild Bill" Drumright, were assigned to cover the withdrawal of 1st Marine Division. The Marines of 1st RECON Bn operated in teams of six or seven men. Heavily armed, the teams fought a multitude of bitter engagements with a numerically superior and increasingly aggressive enemy. Michael C. Hodgins served in Company C, 1st RECON Bn (Rein), as a platoon leader. In powerful, graphic prose, he chronicles his experience as a patrol leader in myriad combat situations--from hasty ambush to emergency extraction to prisoner snatch to combined-arms ambush. . . . "THIS MEMOIR IS GRIPPING." --American Way

This book studies the strategies and tactics employed in the Vietnam War.

A journey of a thousand miles begins with a single step and for Michael Talbot that step is taken at Indian Hill with his best friend Paul Ginson by his side. Together they grow up, meet girls, and go off to college. And that's where everything changes. While out on a date, Mike, along with thousands of others, are quite literally abducted by aliens. Known as the Progerians, their mission is to determine how best to conquer the human race. War is coming and nobody knows the enemy better than Michael Talbot. Knowledge alone won't be enough to fight the Progerians though. Mike's going to need an army. Individually, Paul Ginson and Michael Talbot are forces to be reckoned with. Reunited they are a match made in Progerian Hell.

Essays discuss the concept of maneuver warfare as a solution to the problem of smaller military forces and reduced budgets
