Wars of Empire Saul

David explores the early part of Queen Victoria's reign, when the British Empire was well on the way to becoming the greatest empire the world had ever seen.

This is the story of how it happened and the people who made it happen.

Victoria's Wars – The Rise of Empire. During the period known as the 'Dual Monarchy', from Queen Victoria's accession in 1837 to the death of her husband Albert in 1861, the British Empire almost quintupled in size. Its cities, canals, railways and telegraphs were changing the face of continents. It was well
